

CE DECLARATION OF CONFORMITY

The equipment which accompanies this declaration is in conformity with EU Directives:

2006/42/EC Machinery Directive

2011/65/EU Restriction of the use of certain hazardous substances in Electrical and Electronic Equipment

2000/14/EC Noise emission in the environment

Manufacturer

V-TUF, Unit 5 Chris Sharp Building, Tillbridge Lane, Scampton, Lincoln, LN1 2SX UK

Authorised Representative Established in the EU

Flexrep EU OÜ, Attn: E-Residency Hub, Ahtri tn 12, 10151 Tallinn, Estonia

This declaration is issued under the sole responsibility of the manufacturer.

A copy of the Technical file for this equipment is retained at the EU address above

Description of Equipment

DD080 COLD HIGH PRESSURE WASHER

Serial numbers 2022200110001 to 2999999999999

The following harmonised standards have been used:-

EN ISO 12100:2010 Risk assessment (MD)

EN 60335-2-79:2012 Household and similar electrical appliances - Safety - Part 2-79: Particular requirements for high pressure cleaners and steam cleaners

EN IEC 63000:2018 Technical documentation for RoHS

Reference to a standard includes reference to the current versions of its normative reference and other standards referred to in the text where relevant.

The following harmonised standards have been used:-

EN ISO 12100:2010 Risk assessment (MD)

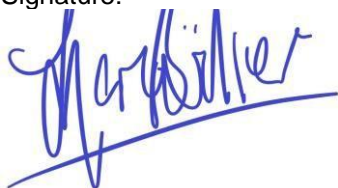

EN 60335-2-69:2012 Wet and dry vacuum cleaners, for commercial use EN IEC 63000:2018 Technical documentation for RoHS

Reference to a standard includes reference to the current versions of its normative reference and other standards referred to in the text where relevant.

We hereby declare that the machinery described above complies with the relevant basic health and safety requirements of the UKCA & EU Directives, both in its' basic design and construction. This declaration shall cease to be valid if the machine is modified without our prior approval
